SensScore Services

SensScore's technology platform connects a broad spectrum of users in the sports industry with a focus on the sport of hockey. SensScore allows players, parents, coaches, athletic scouts, trainers, health professionals, team representatives, and service and equipment providers to collaborate on a single platform. Users create a profile that embodies their athletic identities so they can share their identities and engage with a network of other users to exchange knowledge and explore athletic opportunities. SensScore creates a community where users can share experiences, keep up-to-date with players and teams, seek and share knowledge and advice, and match players, teams, coaches, and other professionals. The Platform is inclusive and joins users at all levels of the sports industry—from professionals, collegiate and high school sports, recreational sports, and youth sports.

The SensScore Platform also provides a marketplace where suppliers both on the international, national and local level can make their goods and services available to players, teams, and other users that can benefit the most from the goods and services being offered. The marketplace will provide users with access to suppliers that include, without limitation, sporting gear retailers, nutritional product retailers, coaches, athletic trainers, nutritionists, massage therapists, and physical therapists, among others (collectively "Marketplace Suppliers").

The Platform will also make consulting services available to users through the SensScore's Insight Edge Sports Group ("Inside Edge"). The Inside Edge services will allow users to book professionals who offer athletic performance assessment and advisory services that will allow players to better understand their current level of performance and how they can improve.

By utilizing the Platform, you hereby acknowledge and agree that:

- **Coaches, athletic scouts, team and league representatives, physicians, physical therapists, athletic trainers, nutritionist, other health professionals, Inside Edge consultants, and Marketplace Suppliers are not employees of SensScore;**
- **SensScore has no control over the actions of players, coaches, athletic scouts, team and league representatives, physicians, physical therapists, athletic trainers, nutritionist, health professionals, Inside Edge consultants, or other Platform users;**
- **SensScore has no control over the actions of Marketplace Suppliers or the quality of goods and services offered by Marketplace Suppliers;**
- **SensScore does not endorse, and is not responsible or liable for any services, advertising, statements, materials, content, products, goods, data, or information offered by Marketplace Suppliers;**
- **SensScore is a community and marketplace technology provider and does not itself provide sports-related goods and services with the exception of SensScore's Insight Edge consulting services.**

SensScore is not responsible for the accessibility or unavailability of any Marketplace Supplier or for your interactions and dealings with a Marketplace Supplier. You waive the right to bring or assert any claim against SensScore relating to any interactions or dealings with any Marketplace Supplier, and you release SensScore from any and all liability for or relating to any interactions or dealings with a Marketplace Supplier.

SensScore is also not responsible for the actions of, or your interactions with, any coach, trainer, or health professional that you encounter through the Platform. You waive the right to bring or assert any claim against SensScore relating to any interactions or dealings with any such coach, trainer, or health professional.

Payments

You understand that use of the Platform may result in charges to you for monthly subscription fees or services you receive through Inside Edge ("Charges"). Charges are paid through the Platform and may rely on third-party financial service providers and technology to process payments.

When purchasing consulting services from Inside Edge, SensScore will facilitate your payment of Charges as a limited payment collection agent of third party Inside Edge consultants. Payment of Charges in this manner shall be considered the same as payment made directly by Platform users to such third party Inside Edge consultants.

YOU ACKNOWLEDGE AND AGREE THAT SENSSCORE IS NOT LIABLE FOR ANY DAMAGES, HARM, OR CLAIM RESULTING FROM THE ACTIONS OF A THIRD-PARTY FINANCIAL SERVICE PROVIDER, INCLUDING ANY LOSS OF DATA OR FUNDS.

PAYMENTS PROCESSED BY A FINANCIAL SERVICE PROVIDER MAY BE SUBJECT TO FEES CHARGES BY SUCH FINANCIAL SERVICE PROVIDER AS WELL AS THE FINANCIAL SERVICE PROVIDER'S OWN TERMS AND CONDITIONS SEPARATE FROM THESE TERMS.

The amount of Charges are established by SensScore or providers offering services through Inside Edge. SensScore reserves the right to establish, remove and/or revise Charges for any or all services or goods obtained through the Platform at any time in SensScore's sole discretion. SensScore further reserves the right, in its sole discretion, to not process or to cancel any orders.

Subscription Charges for access to the SensScore Platform are incurred periodically (*i.e.*, monthly, or yearly) and will be due and payable immediately at the beginning of each billing cycle. Payment will be processed using the preferred payment method(s) designated in each user's account or designated at the time of purchase. You consent to receiving electronic receipts for Charges paid.
